It is your responsibility to ask for the reference and then to attach it to the Supporting Documents during final submission of your application.

- You will need to provide two references with your application. Applications received without two references, may be delayed for consideration.
- Where you are still in education or have recently completed a course within the last three years, your reference should be from a teacher/lecturer who has knowledge of your academic ability. If you have been out of education for more than three years but have been in employment, the reference should be provided by a line manager or employer who can comment on your ability.
- References from family members are not acceptable.
- Please provide contact details for your referees (Name, Title, Address, E-mail and Telephone Number).
